

# Giving Tuesday Dec 2<sup>nd</sup>

## THINK ABOUT HAWA'S HOPE

### Consider supporting our 2026 Spring Trainings for Midwives in Sierra Leone

**Your support helps us create improved instructional pamphlets and hands-on training kits, provide better simulation models, offer participants stipends, and sustain our team in the field.**

At Hawa's Hope, we are committed to strengthening maternal and newborn health in Sierra Leone. We believe that equipping local midwives with practical skills and updated knowledge is the most effective way to promote safer births in remote communities.

Through partnerships with midwifery schools, we deliver workshops and hands-on seminars that enhance both new and experienced midwives' expertise. Our alumni then share these skills within their own communities—multiplying the impact and contributing to a stronger rural healthcare workforce. Sierra Leone has made significant progress in recent years, and we are proud to help support that momentum.
